IN-LINE FENCE & RAILING

Design · Fabrication · Installation — Self-Performed In-House

Union · Family-Owned · Serving California Since 1990 · Celebrating 35 Years · www.inlinerail.com

CAPABILITY STATEMENT OF QUALIFICATIONS

Railing · Structural & Ornamental Steel · Fencing · Guardrail · Security & Anti-Terror Force Protection · Drilling & Civil

In-Line Fence & Railing is a union, family-owned California contractor that self-performs the design, fabrication, and installation of railing, structural and ornamental steel, fencing, guardrail, security and anti-terror force-protection systems, and drilling and civil services. Every scope is delivered by our own LIUNA Laborers Local 89 workforce and company-owned equipment — from our in-house fabrication shop to final field install — giving owners and prime contractors one accountable, audit-ready partner with a 0.68 EMR and a 35-year track record across commercial, civil, transit, federal, and utility projects.

CORE COMPETENCIES — SELF-PERFORMED (DESIGN · BUILD · FABRICATE · INSTALL)

Railing, Guardrail & Architectural Metal

- Cable railing & custom ornamental railing
- Handrail & ADA-compliant railing
- Metal beam guardrail
- Glass & picket railing systems
- Structural & ornamental steel fabrication
- Sound / screen & barrier walls

Fencing & Perimeter Security

- Chain link, tube steel & barbwire fence
- High-security fencing
- Automated & high-security vehicle gates
- Wrought iron & ornamental fence
- Screen, privacy & barrier walls
- In-house steel fab & QC

Force Protection & Civil Services

- Anti-ram cable systems & vehicle barriers
- K-rail · tire killers · pop-up blockers
- High-security vehicle entry points
- Drilling rig to 42' deep / 34" diameter
- Vacuum / hydro excavation & potholing
- Emergency response & disaster recovery

THE IN-LINE ADVANTAGE — WHY OWNERS & PRIME CONTRACTORS CHOOSE IN-LINE

We don't just bid the work — we self-perform it. **Design, fabrication, and installation under one roof means one accountable partner, zero subcontractor gaps, and a finished product that makes you look exceptional.**

ONE ACCOUNTABLE PARTNER

Shop drawings, in-house steel fabrication, and field install by our own union crews — no hand-offs, no finger-pointing, no schedule gaps between trades.

SAFETY THAT PROTECTS YOUR JOB

A 0.68 EMR, EM 385-1-1, OSHA 30/40 management, and SSHO oversight keep your project incident-free, audit-ready, and on schedule.

BUILT TO MAKE YOU WIN

Company-owned fleet and fab shop, 24/7 emergency response, fair pricing, and crews who treat your reputation as their own — every project, every time.

Self-performed cable railing, handrail & architectural lighting — designed, fabricated, and installed in-house by In-Line.
