IN-LINE FENCE & RAILING

Anti-Terror Force Protection · Security Perimeters · Self-Performed In-House

HUBZone Small Business · CAGE 3TBE4 · Union · Family-Owned · Since 1990 · www.inlinerail.com

CAPABILITY STATEMENT — FEDERAL & DEFENSE INSTALLATIONS

Anti-Ram & Anti-Terror Barriers · High-Security Fencing & Gates · Vehicle Access Control · Structural Steel · Drilling & Civil

In-Line Fence & Railing is a HUBZone-certified, union, family-owned small business that self-performs the design, fabrication, and installation of anti-terror force-protection systems, security perimeters, high-security fencing and gates, vehicle barriers, structural steel, and drilling and civil services for federal and military installations. Every scope is delivered by my own workforce and company-owned equipment — from in-house fabrication to final field install — giving contracting officers and prime contractors one accountable, audit-ready partner with a 0.68 EMR, EM 385-1-1 safety, and 35 years of self-performed past performance for U.S. military and federal clients.

CORE COMPETENCIES — SELF-PERFORMED (DESIGN · FABRICATE · INSTALL)

Anti-Terror Force Protection

- Crash-rated vehicle barriers (ASTM F2656 K4/K8/K12)
- Anti-ram cable systems & bollards
- Active & passive vehicle barriers
- Pop-up blockers & tire killers
- K-rail & high-security entry points
- Vehicle access control points (ACP)

Perimeter Security & Fencing

- High-security & chain-link fencing
- Automated & anti-ram security gates
- Tube steel & barbwire fence
- Sound / screen & barrier walls
- Detection-ready perimeter fence lines
- In-house steel fabrication & QC

Structural Steel & Civil Support

- Structural & ornamental steel fab & erection
- Railing, handrail & guardrail
- Drilling rig to 42' deep / 34" diameter
- Vacuum / hydro excavation & potholing
- Foundations & earthwork
- Emergency response & disaster recovery

THE IN-LINE ADVANTAGE — BUILT FOR SECURE FEDERAL INSTALLATIONS

We don't just bid the work — we self-perform it. Design, fabrication, and install under one roof means one accountable contractor, credentialed crews on the installation, and force-protection that meets standard the first time.

DESIGNED TO STANDARD

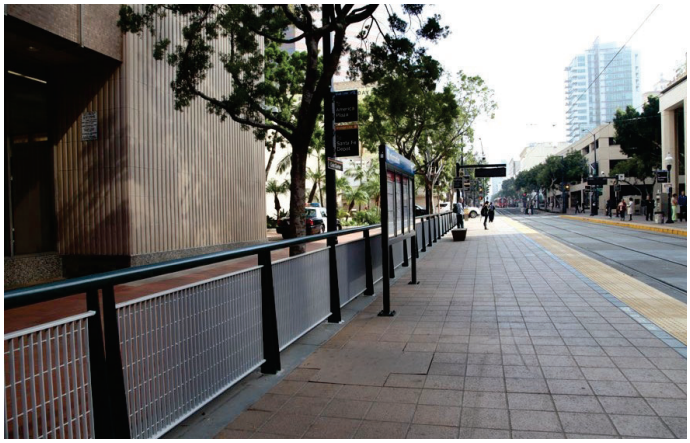

We build to DoD ATFP criteria — UFC 4-010-01, UFC 4-022-02 (vehicle barriers), UFC 4-022-03 (fences & gates), and ASTM F2656 crash ratings.

AUDIT-READY SAFETY

A 0.68 EMR, EM 385-1-1 per project, OSHA 30/40 management, and SSHO oversight keep secure-site work incident-free and inspection-ready.

HUBZONE SELF-PERFORM

Certified HUBZone & small business, self-performing 100% of scope — supporting set-aside and small-business utilization goals with no pass-through.

Self-performed security fencing, perimeter & civil work with company-owned crews and equipment.

SAFETY PROGRAM · SURETY & BONDING

Safety Program — Zero Tolerance

- Current EMR: 0.68
- EM 385-1-1 certified per project
- OSHA 30 & 40-hr trained management
- SSHO employees on staff
- ISNetworld compliant · in-house QC
- Gold Shovel Certified

Surety, Bonding & Insurance

- Surety: United Fire & Casualty
- Total bonding capacity: $15M aggregate
- Per-project limit: $4.6M
- Insured to federal / prime contract terms
- Bonding POC: Cyndi Beilman
- (619) 994-3652

SELECTED PAST PERFORMANCE & REPEAT CLIENTS

Federal & Military: **U.S. Dept. of Homeland Security** · **U.S. Marine Corps** · **U.S. Army** · **U.S. Navy** · **U.S. Coast Guard**
Agencies: **Caltrans** · **SANDAG** · **Port of San Diego** · **City of San Diego** · **County of San Diego** · **San Diego Unified School District**
Prime Contractors: **Kiewit** · **Turner** · **PCL** · **Granite** · **Flatiron** · **Balfour Beatty** · **Soltek Pacific** · **Hazard Construction** · **T.B. Penick & Sons**

DIFFERENTIATORS

- ✔ HUBZone & small-business certified
- ✔ Self-performs design → fab → install
- ✔ Company-owned equipment & fab shop
- ✔ In-house quality control · SSHO staff
- ✔ Builds to UFC / ATFP standards
- ✔ 85+ years combined field experience
- ✔ Financially liquid & bonded to $15M
- ✔ 24/7 emergency response
- ✔ Disaster recovery, rebuild & debris removal
- ✔ Union workforce · loyal long-term crews
- ✔ Fair, competitive pricing
- ✔ Supports small-business utilization goals
